Viera High Project Graduation
Class of 2023
5445 Murrell Road #102-113
Viera, FL 32955

Dear Business Partner,

The Viera High School Class of 2023 needs your support. This class has been through more historically, each passing year, than any other graduating class before them. Our Project Graduation Committee is working hard to create some unique, safe, and memorable events for our Seniors! We are looking for businesses, in the community, to help us with Project Graduation. We have over 470 graduating seniors in our local community!

Project Graduation began in 1980 as a prototype event to establish an activity, through the local high school, that increases awareness of the dangers of drinking, drug use, and driving on graduation night and beyond. We are working towards helping the new graduates of 2023 and allowing them the opportunity to attend an event that would provide the outlet to enjoy friends and celebrate the future ahead of them while making a conscious decision to enjoy it drug and alcohol free.

Of course, none of this would be possible without the generous support from our community partners. With past donations, Viera High Project Graduation has been able to provide a celebration event for the senior class that fulfilled the mission of Project Graduation.

Would you consider a sponsorship or donation today?

Your donation will go toward the hard costs that putting on an event for hundreds of students require include the insurance, venue, entertainment, games, prizes, and food.

We have several ways you can sponsor or provide in-kind items:

- Choose a sponsorship level and make the payment online at VieraHighProjectGraduation.com
- Choose a sponsorship level and mail the check to the above address.
- Provide an in-kind donation in the form of a gift-certificate or other prize item
- If you are a restaurant, a fundraising night or gift cards for the students to win that evening is a wonderful way to include seniors and their families to dine at your establishment

We greatly appreciate your consideration, and we need partners like you to get one step closer to our goal.

The attached flyer outlines the various levels of donation including contact information for any questions.

Sincerely,
Project Graduation Committee Members
